Summary

Highly motivated React developer with **1 year** of experience building dynamic, user-friendly web applications. Skilled in React hooks, JSX, JavaScript, HTML5, CSS3, and UI frameworks like Bootstrap, Ant Design, and Material UI. Experienced in creating reusable components, optimizing performance with Virtual DOM, and integrating Firebase and APIs. Adept at collaborating with teams and delivering high-quality solutions in innovative projects.

Work Experience

React Developer

Eziline Software pvt.

Feb 2024 - Present

- Developed and maintained responsive and dynamic web applications using React.js, improving user experience and engagement.
- Integrated APIs using Axios to enhance functionality and ensure seamless data flow between front-end and back-end systems.
- Optimized application performance using Virtual DOM, React query, lazy loading, and React hooks, achieving faster load times and improved efficiency.

Frontend Developer (Intern)

Eziline Software pvt.

Nov 2023 - Jan 2024

- Assisted in developing and maintaining responsive web applications using HTML5, CSS3, and JavaScript.
- Worked with UI frameworks like Bootstrap to design visually appealing and user-friendly interfaces.
- Participated in debugging and resolving frontend issues to improve application performance and reliability.

Education

BS Information Technology

The Islamia University of Bahawalpur, Punjab, PK

July 2019 - July 2023 , 3.51 GPA

Skills

Front-End Core Technologies : *HTML 5, CSS3, Javascript, React js*

UI Frameworks & Libraries : *Bootstrap, Material UI, Ant design*

Interactive Charts and Graphs : *Apex charts, Mui Charts*

Version Control : *Github*

Others : *React Router Dom, Redux, API integration, Performance Optimization, React query, Firebase*
